 14. Appendices: All information and charts that contain a large amount of data, derivation, annotation, or other lengthy references may be listed on a separate page as appendices.
 15. Thesis Delayed Publication/Withdrawal: According to the communication from the National Library, the principle for thesis publication is based on open access. The reasons for delaying publication are limited to "patents," "involvement of confidential information," or "legal restrictions." All other cases should be made available for viewing. Graduate students of this university must submit a request to their respective departments when applying for degree examinations (along with supplementary supporting documents), which will then be reviewed and approved

by the department's dedicated committee. Students who have not requested "thesis delayed publication" during their degree examination application will not be allowed to submit such requests afterward (implemented as per the 109th Academic Affairs Council announcement). The new version of the "National Library Thesis Delayed Publication Application Form" no longer includes the reason option "preparing thesis submission" (old forms will not be processed). For requesting thesis delayed publication to the National Library, please complete the "National Library Thesis Delayed Publication Application Form" found in our university's "Thesis Format Example." Submit this form along with one printed copy of the thesis at the counter of the Academic Affairs Office when submitting the hard copy thesis. Enclose the form on the first page inside the thesis. For delayed publication, the student must separately submit to the respective accepting units: National Library Thesis Delayed Publication, University Library Thesis Delayed Publication, and Electronic File Delayed Publication (apply online through our university library's "Thesis Submission System for Master's and Doctoral Theses").

16. Uploading the e-file of the thesis: Please upload the e-file of the thesis to the library of YunTech. In order to protect the intellectual property right of the author, please have the YUNTECH Watermark on every page of the main text of the thesis.
17. Others: Depending on the specificity of their academic fields, each department and institute will develop a standardized format, but the main structure will still be in accordance with this specification.
18. **Agreement on Uploading E-file of the Thesis:** Graduate students are required to type their department, student number, title, and the originality comparison of the final draft of the degree thesis on the consent form, complete the signature, and then proceed according to the instructions on the consent form.
