113 年 10 月 16 日第 125 次教務會議修訂  
Amended at the 125<sup>th</sup> Academic Affairs Meeting on Oct. 16, 2024

一、為鼓勵本校大學部優秀學生繼續就讀本校相關研究所碩士班，以期達到連續學習及縮短修業年限之目的，特訂定本要點。

1. These Guidelines are established to encourage outstanding undergraduate students at Yuntech to continue their studies in relevant Yuntech master's programs, with the aim of facilitating continuous learning and shortening the duration of study.

二、本校各系（所）得招收本校大學部在校學生為碩士班先修研究生（以下簡稱先修生）。

凡本校大學部四年制學生修業滿四學期起至第七學期，二年制學生修業滿一學期起至第三學期，符合各系（所）「碩士班先修研究生甄選規定」所規定之甄選資格者，應於當學期結束後填寫申請表，並備妥歷年成績表、修課計畫等，經系主任同意後送各相關系（所）審查。各系（所）甄選通過「碩士班先修生」名單第一學期應於每年一月三十一日前、第二學期應於每年六月三十日前送教務處備查。

同時獲本校兩個以上系（所）錄取為先修生者，應於本校指定日期之前選擇一所報到，並以書面聲明放棄其他系（所）先修生錄取資格。

2. Each department (college) at Yuntech may admit current Yuntech undergraduate students as pre-master's students (hereinafter referred to as "pre-master's students").

Any four-year undergraduate student at Yuntech who has completed four semesters through the seventh semester, or any two-year undergraduate student who has completed at least one semester through the third semester, and who meet the eligibility requirements specified in the "Regulations for Selection of Pre-Master's Students" of a respective department (college),

shall complete the application form after the end of the current semester, prepare his/her cumulative transcript and course plan, and, upon approval by his/her department head, submit the materials to the relevant department (college) for review. Each department (college) shall send the list of students selected as "Pre-Master's Students" to the Office of Academic Affairs for future reference by January 31 for the first semester or by June 30 for the second semester of each year.

A student having been admitted as pre-master's student by two or more departments (colleges) at Yuntech shall select one department (college) to enroll in by the date specified by Yuntech and submit a written statement renouncing his/her admission status as pre-master's student in the other departments (colleges).

三、各學系、研究所應共同輔導先修生選修課程，學生選課依本校相關規定辦理。

3. All departments and graduate schools shall jointly advise pre-master's students in selecting the courses; students selecting the courses shall be governed by Yuntech's relevant regulations.

四、取得先修生資格學生必須於本校學則規定之修業期限屆滿（含）前取得學士學位，並參加本校碩士班甄試入學或一般入學考試，經錄取後，該先修生始正式取得本校碩士班研究生資格。

4. Students eligible for pre-master's students must earn their bachelor's degree by (and at) the end of the period of study stipulated in Yuntech's Academic Regulations and take Yuntech's master's program entrance examination or general admission examination. Only after being admitted from such examination will such students officially obtain the status of master's degree candidates at Yuntech.

五、本校欲招收先修生之研究所應成立「碩士班先修研究生甄選委員會」，所長為當然委員並擔任召集人，另由所長聘任委員二至四人，經所務會議通過後，送教務處備查。

5. A graduate school at Yuntech that wishes to recruit Pre-Master's students shall establish a "Selection Committee for Pre-Master's Students", where its dean shall serve as an ex officio member and chairperson of the committee. The dean shall also appoint two to four additional members for approval by the Graduate School Council before being reported to the Office of Academic Affairs for the record.

六、本校欲招收先修生之研究所需依本要點訂定「碩士班先修研究生甄選規定」，內含每年招收先修生名額、甄選資格、甄選方式等，經呈報所屬學院院長、教務長、校長核准後，由教務處公布實施。

6. A graduate school at Yuntech that wishes to recruit Pre-Master's students shall formulate, in accordance with these guidelines, "Regulations for the Selection of Pre-Master's Students", which shall include the annual quota for Pre-Master's students, eligibility requirements, and

selection procedures. Such Regulations, with approval by the dean of the respective college, the Dean of Academic Affairs, and the President, will be announced and implemented by the Office of Academic Affairs.

七、先修生取得碩士班研究生資格後，大學期間所選修之碩士班課程，其修業成績達七十分以上者，其學分可承認為碩士班應修之學分（不含論文學分）。但研究所課程若已計入大學部畢業學分數內，不得申請抵免碩士班學分數。

7. For pre-master's students who have been admitted to the master's program, the credits earned for master's-level courses taken during their undergraduate studies and graded 70 or higher may be recognized toward the master's program requirements (excluding thesis credits). However, if a graduate-level course has already been counted toward the credits for graduation from undergraduate departments, it may not be transferred to master's program credits.

八、其他未規定事項，均依照本校及教育部相關規定辦理。

8. Any matter not covered in these Guidelines shall be handled in accordance with the relevant provisions of Yuntech and of the Ministry of Education.

九、本要點經教務會議通過後公布實施，修正時亦同。

9. These Guidelines, and amendments hereto, shall be implemented upon adoption at the Academic Affairs Meeting.

※本要點中文版與英譯版語意有所差異時，依中文版為主。

In the event of any discrepancy between the Chinese version and the English translation of these Guidelines, the Chinese version shall prevail.
