※Remarks: (Regulations of Degree Examination) Article 7: Masters or Ph.D. Degree Examination shall be conducted by the Degree Examination Committee established by the department/institute.

1. There shall be 5-9 members for the Ph.D. Degree Examination Committee, and 3-5 members for the Masters Degree Examination. The number of committee members from other university/institution shall account for more than one-third of the whole committee. Members shall be recommended by the chair of your home department/institution and appointed by the President. One of the committee members shall be assigned as the Chairperson of the committee. The advisor cannot assume the role of chairperson.

2. Members of the degree examination must have expertise in the area related to the student's thesis/dissertation, original creative work, exhibition or technical report. They must possess one of the following qualifications:

Committee members of Ph.D. degree examination:

- a. Having been a professor
- b. A fellow of Academia Sinica or has been a Research Fellow of Academia Sinica.
- c. Having been an Associate Professor or an Associate Research Fellow of Academia Sinica with significant contribution in the academic field.
- d. Having a Ph.D. degree with significant contribution in the academic field.
- e. Belonging to an uncommon or exceptional field, with significant contribution in the academic field.

Committee members of Masters degree examination:

- a. Is/was a professor or associate professor.
- b. A fellow of Academia Sinica or has been a Research Fellow or Associate Research Fellow of Academia Sinica.
- c. Having a Ph.D. degree with significant contribution in the academic field.
- d. Belonging to an uncommon or exceptional field, with significant contribution in the academic field.

The standards for qualifications for items 3-5 of committee members of Ph.D. degree examination and items 3-4 of committee members of masters degree examination shall be decided by the department/institute.

3. The committee members must participate in the degree examination committee in person. There shall be at least 3 members attending the masters degree examination, and at least 5 members attending the Ph.D. degree examination.
