Log in SSO(YunTech Single sign-on) → Course → Course Selection System

※系統開放於選課期間：24小時開放。（Network will be operational 24 hours）

Notice

- The course system will perform class allocation in the Pre-registration Period if any course set with capacity limit.
- Students shall check the results online on the first working day after the Pre-registration Period.
- Students shall not select courses which are more than the stipulated maximum credits of home department/institute, or less than the minimum credits of each semester.

- If there is any extraordinary situation occurs on the “Course result,” such as **taking a required course in a different class, taking a required course of a higher grade and so forth**, then students cannot add the course successfully.
- He/she has to fill out the “Application Form to Add/Drop a Required Course or Take a Required Course in a Different Class” and submit it to the Curriculum and Teaching Division

Course Selecetion:

https://aax.yuntech.edu.tw/index.php?option=com_content&task=view&id=951&Itemid=72

- Students can select courses they would like to take and add in their course list right after they select the courses. However, the course system will perform class allocation in the Pre-registration Period if any course set with capacity limit.

- Students shall check the results online on the first working day after the Pre-registration Period. Students have to select courses online in accordance with the “Course Selection Guidelines” during the stipulated periods. (Students shall not select courses which are more than the stipulated maximum credits of home department/institute, have course conflicts in their class schedule and select courses which are less than the minimum credits of each semester. After the Add/Drop Period, students can print their course results online. (The system is open from the next day of Add/Drop Period to a week before mid-⁷ term test.)

Check “Your semester courses” 確認「學期修課資料」

After you add or drop the courses, please check your courses in the Academic System (**Not** the Course Selection System)
